AREAS OF EXPERTISE

Financial Economics

Digital Economy

EDUCATION

Certificate in Data Science

UC Berkeley

2020

Postdoctoral Research

Harvard University

2018

Ph.D. (Economics)

University of Oxford

2017

Thesis: Fiscal Policy and Inclusive Economic Development in Southeast Asia

Research Project: Structural Macroeconomic Dynamic Modeling

Certificate in Advanced Econometrics

MIT

2015

M.A. (Applied Economics)

Thammasat University

2012

Thesis: Impact Assessment of Minimum Wage Hikes on Inflation Rates

Research Project: Analysis of Household Debt Growth

B.A. (Economics)

Kasetsart University

2009

High School Diploma

Triam Udom Suksa School

2005

ACADEMIC & PROFESSIONAL EXPERIENCE

Senior Research Fellow

Bank of Thailand

2022 - 2023

Research on financial stability benchmarks

Associate Professor

Example University

2021 - Present

Teaching and research in Economics

Visiting Scholar

National University of Singapore

2020

Public policy workshop instruction

Assistant Professor

Example University

2019 - 2021

Teaching Macroeconomics

Policy Advisor

Ministry of Finance

2018 - 2019

Advising on property tax frameworks

Lecturer

Example University

2017 - 2019

Teaching Introductory Microeconomics courses

Economic Data Analyst

Siam Commercial Bank

2012 - 2015

Analyzing client behavioral deposit habits

RESEARCH GRANTS

Digital Workforce Upskilling Program

Funder: DEPA

Role: Co-Investigator | Year 2023 | Amount 1,000,000 THB

Carbon Tax Impacts on Manufacturing

Funder: Ministry of Industry

Role: Principal Investigator | Year 2023 | Amount 1,500,000 THB

Household Debt Risk Early Warning System

Funder: Bank of Thailand

Role: Principal Investigator | Year 2022 | Amount 800,000 THB

Promoting Grassroots Finance for Women

Funder: UN Women

Role: Consultant | Year 2022 | Amount 400,000 THB

Driving Bioeconomy in Local Communities

Funder: NRCT

Role: Principal Investigator | Year 2022 | Amount 850,000 THB

Economic Stimulus Evaluation Scheme

Funder: Ministry of Finance

Role: Principal Investigator | Year 2021 | Amount 500,000 THB

Trade Policy and Domestic Industry Protection

Funder: Ministry of Commerce

Role: Principal Investigator | Year 2021 | Amount 750,000 THB

Evaluating Elderly Welfare Programs

Funder: MSDHS

Role: Co-Investigator | Year 2021 | Amount 550,000 THB

Outcomes of Co-payment Scheme

Funder: FPO

Role: Co-Investigator | Year 2021 | Amount 250,000 THB

Deep Insight on Eastern Grassroots Economy

Funder: National Research Council

Role: Co-Investigator | Year 2020 | Amount 1,200,000 THB

Study of Spatial Economic Growth

Funder: TSRI

Role: Co-Investigator | Year 2020 | Amount 900,000 THB

SMEs Debt Restructuring Strategies

Funder: GSB

Role: Consultant | Year 2020 | Amount 300,000 THB

Climate Change Impacts on Agroeconomics

Funder: University Research Fund

Role: Consultant | Year 2019 | Amount 300,000 THB

Upgrading Agricultural Supply Chains

Funder: BAAC

Role: Principal Investigator | Year 2019 | Amount 1,100,000 THB

Retirement Savings Mechanism for Informal Workers

Funder: Ministry of Labour

Role: Principal Investigator | Year 2018 | Amount 450,000 THB

Comparative Social Welfare Systems in ASEAN

Funder: Asia Research Fund

Role: Co-Investigator | Year 2017 | Amount 600,000 THB

TEACHING

EC302 - **Public Policy & Project Evaluation**

Semester 2/2023 | Bachelor's Degree

Economic cost-benefit evaluation methodologies

EC305 - **Monetary and Banking Economics**

Semester 2/2023 | Bachelor's Degree

Role of central banks and currency

EC430 - **Environmental Economics**

Semester 2/2023 | Bachelor's Degree

Sustainable resource pathways

EC405 - **Advanced Econometrics**

Semester 2/2022 | Master's Degree

Statistical formulas to validate economic axioms

EC412 - Labour Economics

Semester 2/2022 | Bachelor's Degree

Labour demand, supply, and wages

EC510 - Advanced Managerial Economics

Semester 2/2022 | Master's Degree

Theory implementations in corporate metrics

EC500 - High-Level Economics Theory Seminar

Semester 2/2021 | Doctoral Degree

Peer discussions on seminal policy texts

EC420 - Development Economics

Semester 2/2021 | Bachelor's Degree

Growth indicators and poverty alleviation

EC101 - Principles of Macroeconomics

Semester 1/2023 | Bachelor's Degree

Fundamentals of aggregate economic behavior

EC202 - Game Theory in Economics

Semester 1/2023 | Bachelor's Degree

Strategic decision making in markets

EC425 - Industrial Economics

Semester 1/2023 | Bachelor's Degree

Market concentration and trade antitrusts

EC201 - Introductory Microeconomics

Semester 1/2022 | Bachelor's Degree

Consumer choices and market mechanics

EC310 - Public Economics

Semester 1/2022 | Bachelor's Degree

Government expenditures and taxation

EC450 - Research Methodologies in Economics

Semester 1/2022 | Bachelor's Degree

Writing coherent research briefs

EC102 - Global Economy and Globalization

Semester 1/2021 | Bachelor's Degree

Trade corridors and capital flows

EC415 - International Economics

Semester 1/2021 | Bachelor's Degree

International trade theories and FX

ACADEMIC SERVICES

Session Chair

World Economics Summit | 2022

Coordinating core macro sessions

External Ph.D. Examiner

Chulalongkorn University | 2023

Evaluating doctoral graduation tests

Consultant for Green Finance

UN ESCAP | 2021 - 2022

Drafting ecological capital frameworks

Guest Speaker

Digital Economy Forum | 2023

Keynote on digital currency adoption

Economics Research Committee

National Research Council | 2022 - 2024

Assessing prospective grant bids

Editorial Board Member

Journal of Economics & Finance | 2020 - Present

Overseeing publication directions

Peer Reviewer

Thai Financial Journal | 2021 - Present

Review academic papers

HONORS & AWARDS

Excellent Teacher Award

Example University

2023

Top percentile metrics in module ratings

Best Paper Award

International Economics Conference

2022

Paper on income distribution analysis

Outstanding Young Economist

Economics Association of Thailand

2021

Research excellence in Behavioral Economics

Distinguished Young Alumni

Thammasat University

2020

Notable visibility benchmarks in peers

Outstanding Grantee

Thailand Research Fund

2019

Unparalleled ROI efficiency on field tests

Best Dissertation Award

National Research Council

2018

Seminal output on market dependencies

Fulbright Scholarship

Fulbright Thailand

2014

Doctoral pathways support grant funds

TRAINING & CONFERENCES

Digital Pedagogies in Education

National Tech Institute | 2024

Generative tool optimizations for classes

Machine Learning for Economics

Stanford University | 2023

Predictive framework deployment rules

CBDC Implementation Pathways

| 2023

Advanced Econometrics with R

University of Cambridge | 2022

Advanced time series analysis

Sustainable Climate Finance

World Bank | 2021

Ecosystem asset depletion calculations

Behavioral Game Theory Workshop

University of Chicago | 2020

Strategic equilibrium simulation runs

Spatial Econometrics with Python

GIS Summer School | 2019

Growth corridor vector mappings

PROFESSIONAL MEMBERSHIPS

Professional Member, Association of Environmental Economists (2023 - Present)

Regular Fellow, Royal Economic Society (2022 - Present)

Network Member, Asian Development Research Forum (2021 - Present)

Active Member, IAEE (2020 - Present)

Founding Member, Thailand Econometrics Society (2019 - Present)

Professional Member, American Economic Association (2018 - Present)

Regular Member, Economics Association of Thailand (2017 - Present)
